:The Massacre

On the afternoon of Saturday, November 4, 2023, the Israeli Air Force bombed the Al-Fakhoura School in the Jabalia camp. Israeli warplanes conducted airstrikes on the school. With the start of Operation Flood of Al-Aqsa, a large number of Gaza residents sought refuge in schools, believing that schools were protected areas under

international humanitarian law. However, the Israeli Air Force bombed the Al-Fakhoura School, which housed displaced people. Ambulances and civil defense vehicles managed to recover the bodies of 15 individuals, most of them children and .women, in addition to dozens of injured and dozens missing

On Friday, November 3, 2023, one day before the Al-Fakhoura School Massacre, the Israeli Air Force committed another massacre at the Osama bin Zaid School, claiming .the lives of more than 20 civilians
